

Official Photograph of the Shoshone Dam,  
Reservoir, Electric Power Plant and  
Canyon, made and sold by

**A. G. LUCIER Powell, Wyo.**

Approved by U. S. Reclamation Bureau

MEMBER

The Shoshone Project is a wonderful example of the work executed by the United States Reclamation Bureau. This dam and reservoir is but a part of it.

## **TO FULLY APPRECIATE**

the results, one should visit the Shoshone Project Valley, through Powell, Garland and Deaver.
